

Dr Ros Lavery
Consultant Cardiologist
MB BCh BAO, MRCPI, MSc (Hons)

Dr Ros Lavery is a Consultant Cardiologist practicing at Bon Secours Hospital Limerick, specialising in general clinical cardiology and advanced cardiac imaging. Bringing strong service-development experience, he previously led initiatives to establish and expand advanced cardiac imaging infrastructure, protocols, and referral pathways within another private hospital network. Dr Lavery holds elite Level 3 accreditation in both SCMR (Cardiac MRI) and SCCT (Cardiac CT). His clinical practice provides comprehensive management for conditions such as heart failure, coronary artery disease, valvular disease, and arrhythmias. Committed to seamless care pathways, he looks forward to collaborating with regional GPs and is fully active for secure electronic referrals via Healthlink
