

# Hints & Tips when taking PLENVU

*Provided for patients who have been prescribed Plenvu® prior to their procedure*

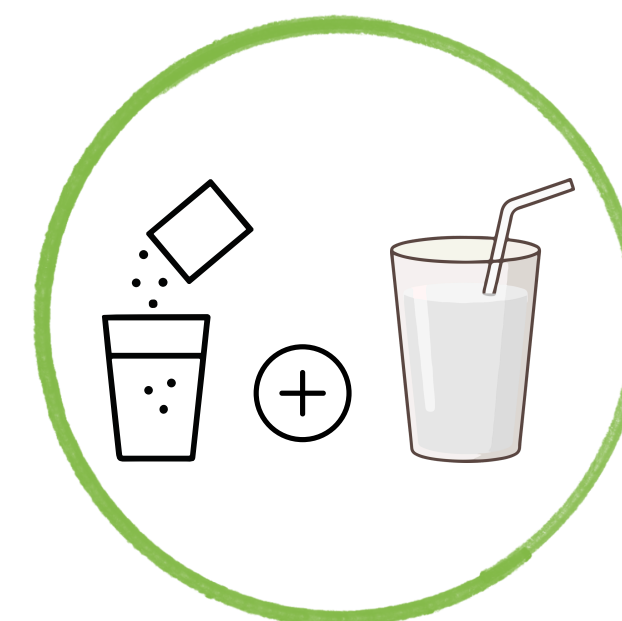

Sip very slowly over 60 minutes, plus an additional 500ml of clear fluids.

Once dissolved, (this may take up to 8 minutes) the solution can be refrigerated.

Try using a straw.

Alternating between the Plenvu® solution and clear fluid is acceptable.

Stay hydrated with plenty of clear fluids.
